Judy Note: On Tues. 10 Aug. Wikileaks dumped all of their files online – everything from Hillary Clinton's emails, McCain's being guilty, Vegas shooting, Steve Jobs HIV letter, PedoPodesta, Afghanistan, Syria, Iran, Bilderberg, CIA agents arrested for rape, WHO pandemic. The attack at the capitol was Antifa and BLM, mostly. This is not in any of the news or social media. Italy has also been found complicit in our election fraud.

Global Currency Reset:

Fleming's Military Intel Contact confirmed that all was ready for liquidity release at all levels as of Tues. evening 10 Aug.

Upper level bonds were paying out from 11:14 am Tues. 10 Aug.

He advised for Tier 4B (Us, the Internet Group) to keep phones charged and watch inboxes especially on Wed. & Thurs. 11-12 Aug & onward this week.

Bruce: With all satellites in the new Star Link system connected throughout the globe by Wed. evening 11 Aug, Tier 4B could be notified and start exchanges by Wed. afternoon 11 Aug.

The Internet and Telegram would not go down. The Star Link Quantum Satellite Communication System, critical for the QFS and Internet, would be connected to all countries within 24 hrs. Up to eight announcements would take place over the next three days.

On Wed. 11 Aug. we would see both the Emergency Broadcast System activation and President Trump alerts.

Massive disclosures were coming out as a cover for our exchanges this week.

He advised not to fall for the fear porn of the fake Biden team over vaccination mandates as the Military would shut them down.

On Mon. 9 Aug. Marine General David Berger (new DoD Chair of the Joint Chiefs ) said "There would be no mandatory COVID-19 vaccinations for my Marines." <u>https://realrawnews.com/2021/08/marines-rebuke-def-sec-no-mandatory-vaccinations-for-my-marines/</u> – <u>https://www.bitchute.com/video/WCtgis4NdWiJ/</u>

The Military has reported that now the Global Currency Reset could not be reversed, plus a High Up Source said that this was the first time both the Temple Control Center in Texas and the new US Treasury in Reno felt that the GCR was finally going to happen.

Asian countries and banks in Honk Kong, Shanghai, Indonesia and Singapore have already started releasing RV/GCR liquidity.

News station owners had until early evening Tues. 10 Aug. to comply as directed with the Emergency Broadcast System activation.

The AZ Election Fraud Results would come out the latter half of this week.

Tier 3-4A groups would start exchanges and then Tier 4B would be notified by the middle to the end of the week.

**Restored Republic:** 

On Tues. 10 Aug. Trump declassified all the Washington scandals. He is hiding at a military base. This is why they are censoring everyone.

IT'S HAPPENING! Military takedowns and arrests begin this past weekend and will continue forward for the next 13 days/nights. Some international raids have already started. (It was said that thousands have been arrested over the last weekend).

Everyone will be getting emergency alerts on their phones, tv's, radios & internet. It will override all other broadcasts and could last for several hours at a time.

Marines and National Guard troops are being moved as needed for the riots that will start after the national release of the Intel. The Intel will be dropped for everyone to see and hear in loops that will be several hours long. The system was just checked by the FCC a few days ago alerting ALL media that they cannot block the flow of Intel under federal regs.

The implementation of the Insurrection Act began after the raid on the Capitol and was marked by Trump's broadcast to the people to disband and return home. This broadcast wound up being blocked, for the most part, by the media. Nevertheless, his address fulfilled the requirements to initiate the Act.

Trump will be moved continuously like a chess piece from now until the 20th in order to avoid any retaliation against him and family.

Trump had to exhaust ALL other means legally before this operation could commence. He gave everyone a fair chance to come clean and they refused. His press release of a "smooth transition" did not include the word, "concede" as he has no plans to do so. Rather, there will be a smooth transition of power to his new cabinet, staff and Vice President, General Flynn. The rally in DC was an awesome event For what it's worth.

Do not to be afraid of what's coming as it is for the safety of our nation for this to unfold. DO NOT travel to any large cities (especially Philadelphia) for the rest of the month. Military operations will be taking place in many of the major corrupt cities. People will start rioting once this Intel breaks thinking Trump is a military dictator. He only has 13 days to put this dog down.

#### A. Upcoming Events:

I believe this is being used to wake up the normies and/or ones who are still asleep. There is no way in hell this will work. Period. I heard Brad Barton on his show say that Bill Lee, the Governor of the state of TN, was discussing calling in the National Guard to enforce some of these things. Now to me, that would be the perfect way to do 2 things.

1. Scare the Crap out of people who are thinking NG is coming into your cities to ensure that the unvaccinated are going to be put into quarantine camps. (That should wake some people up)

2. But most importantly, wouldn't this be the perfect way to move in the NG to set Up for EBS etc., etc.??? Ding Ding Ding

John McAfee: Why is there a Patent for "Subliminal Acoustic Manipulation of the Nervous System"?https://patents.google.com/patent/US6017302A/en Nobody has ever talked about this. Wait till you find out about the rest. Things that are undercover and you can find a trace of them.

OBAMA (the real Deep State Shadow President) knew about virus (COVID19/SARS) was created and to be released after his presidency. So in his time as president he created an Internet Kill Switch which can also be activated by the CDC. This internet kill switch could/would be used in a time of a Pandemic. A time when the Public would start to resist the NARRATION of the CDC/NIH/NIAIH/PRESIDENTIAL ADMINISTRATION that would be connected to an outbreak that would cause a Pandemic. OBAMA knew, FREE flow of information through internet networks could break the Narrative of a Fake/FALSE pandemic. And the only way to keep the NARRATIVE/FEAR MONGERING going was to shut down the internet!!! Replace with martial law and complete control through only DS news media that could control all air waves and satellites. Trump created The Space Forces Intelligence Agency to counter these moves. Military Ops will take place within those dark days. On the Clock: Imminent.

As of the 11th, the US Gov will attempt to reargue the extradition of Julian Assange. The Biden Admin, seeks to control the flow of information with an iron grip. Make no mistake here. YOU, are their target. They want your right to speak out against them, and they have spent tens of millions of taxpayer dollars over a decade to make it happen. If the US Gov succeeds here it will gain the legal precedent to criminalize and imprison anyone who expresses a dissident thought. This is their test run. If they can do it to Assange, they will gladly do it to you next. Will you be silent? Be Loud. You have less than 24 hours before the US Gov. attempts to drastically undercut your basic rights and freedoms. Be Loud. Everywhere.

NESARA/ GESARA: Telegram <u>https://t.me/Nesara\_Gesara\_Reform</u> All the dates that are announced for the start of NESARA GESARA are just disinformation. NESARA GESARA will be officially announced only after the Cabala represented by actors Biden, Harris, and Pelosi have been eliminated. EBS must first be activated. With the Biden government removed, a government will be formed in the United States, with General Mike Flynn as interim president. Meanwhile, behind the scenes, however, NESARA GESARA is gradually being rolled out. The new US currency, the USN, is already forex listed and backed by gold. The same goes for 23 other currencies. American farmers, the ones who started NESARA at the time, have already received their funds. This was a mandatory precondition. The historical bonds, 235 different bonds are in the payment phase. This is proof that GESARA is coming as they can only be paid with gold backed currency. The patriots know it all, the White Hats are in control, arrests are underway, the DUMBS flood. This week should be one of preparation for the next in that:

An EBS test is scheduled in the US starting in August

Mike Lindell has filed 37 indictments since August, including COVID fraud and voter fraud. He is giving away \$ 5 million to anyone who can dismantle one of these theses. At the moment no one has applied.

The United States Congress has been on vacation for 6 weeks since August. During this period it is possible to arrest parliamentarians.

The White House plans to announce a new shutdown starting in August, a strange coincidence....

As of August, probable officialization of the Arizona audits.

Likely formalization of the Durham report for August.

Let's see but we are very close....The plan is not only working but we WON. Ready for a new Republic.

Malta also sits between Sicily & Tunisia, the trafficking bridge to Africa. H3RC EG Vessel Finder indicates 183.2 which also points to Q1832 the same CF adoption drop & Q400 which implies a trip change not showing. So another unlisted stop on H3RCs path after Malta? Connection: I located a child trafficking report, the Committee on the Investigation of Intercountry Adoption. Which shows a connection between the Dutch Gov & trafficking through adoption. Both Greece & Haiti are mentioned several times as routes and locations of trafficking.

COVID CASH COW? Big Pharma rakes in BILLIONS from Corona Virus vaccines. Here are the numbers from companies that published financial results, per AFP report:

Pfizer and BioNTech are the biggest winners. Pfizer earned more than competitors, raking in \$10.8 billion in the first half of this year, with \$33.5 billion projected for the year. BioNTech recorded \$8.6 billion in sales in the first half, with the ONLY product they have on sale being the COVID vaccine.

US startup Moderna, is the only company with an mRNA vaccine, reporting over \$5.9 billion in sales for the year so far.

AstraZeneca, which is not yet FDA approved has generated \$1.2 billion in sales for the British pharmaceutical giant.

Johnson & Johnson's vaccine, made by Janssen the company's Belgian subsidiary has made \$264 million in sales but expects to make \$2.5 billion by years.

Everything goes into the Quantum System, whether D1, 2 or 3. D1 is GOVERNMENT and some parts of MILITARY. Debts were owed to China. US made promises, borrowed money from D1 to allow US to access this money. Result was China required US to pay down this debt. This is now being paid down. The Chinese mainly have control over D1 and D2, but the debt is being paid down now and because of this Tier 4 can go in and exchange.

There has to be an announcement of USN somehow. But, even if USN isn't announced and NESARA is, this will still take place. The DEBT PAYOFF is evidence that NESARA is beginning.

H. Satanic Holidays: Sat. 7 Sept. 2021 was the next major Satanic Holiday called Marriage to the Satanic Beast Satan. It was celebrated by local, global elite and international Satanic Covens with blood, sexual human sacrifice and dismemberment of an female age infant to 21 – followed by eating their flesh and drinking their Adreno Chromed blood – all according to the Occult Calendar of Demonic Holidays put together by therapists from childhood accounts of their Satanic Ritually Abused clients.

Be aware of Satanic activities in your neighborhood and help save mind controlled children and teens being forced to participate in the rape, torture and murder of themselves and other children.

Months in advance Satan worshippers planned for their holidays by kidnapping children and teens, while commonly perpetrators impregnated preteens and teens to produce their own victims. The babies, children and teens were starved, tortured and used in sex orgies in preparation for human sacrifice rites.

Please report suspected Satanic activities to your local law enforcement. Since Satanists were known to infiltrate police departments, cover your tracks by also contacting U.S. Immigration and Customs Enforcement (ICE): <u>https://www.ice.gov/webform/hsi-tip-form</u> and the Federal Human Trafficking Website: <u>https://www.state.gov/humantrafficking/</u>

I. The Global Currency Reset and NESARA/GESARA was all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world. The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites. Let us fast and pray for these millions of little ones who were right

now being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <a href="https://www.youtube.com/watch?v=4Mb9gU6DmKs">https://www.youtube.com/watch?v=4Mb9gU6DmKs</a>

Judy Note: I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.
